Join in the World Cup spirit by taking part in our fun and easy sweepstake! Get involved, pick a team and help to prevent breast cancer for future generations.

How it works

We hope that you'll enjoy using this sweepstake kit. If you do, we'd be really grateful if you (or your group) make a donation to **Prevent Breast Cancer**.

Many supporters choose to donate half of the winning amount. But it's entirely up to you and you're not obliged to donate. To say thanks for donating, and to show how much we truly appreciate your support, we'll send you a special certificate for you to display in your office or home with pride.

If you have any questions about using this kit, let us know and we're happy to help. Simply email: info@preventbreastcancer.org.uk or call the Prevent Breast Cancer Team on **0161 291 4400**.

This kit will help you to run a sweepstake in the workplace (as a 'work lottery') or in a residential setting (as a 'resident's lottery'). These types of lotteries cannot be used to raise funds and are intended to be just for fun. All the money you collect from entries must be paid out in prizes, or used to cover expenses.

Suggested donation

The winner could choose to donate half of their winning prize pot to Prevent Breast Cancer via:
www.preventbreastcancer.org.uk/donate

You can run as many sweepstakes as you like.

Simply print out as many copies of the poster and team sheet as you need!
