

# Why we need your support

prevent  
breast  
cancer

Over **55,900** people are diagnosed with breast cancer every year. That's around **153** people a day.

We're the only UK charity solely aimed at preventing breast cancer for future generations

**MOST COMMON CANCER FOR WOMEN**

**BIGGEST CAUSE OF DEATH  
FOR WOMEN AGED 35-49**

In 2021, the government directed just **4.7%** of its spending to prevention and early detection of all diseases (excluding Covid-19).

**WE WANT TO PREVENT BREAST CANCER  
FOR FUTURE GENERATIONS**

through preventative testing, screening, lifestyle changes and drugs where needed

We fund **VITAL RESEARCH** into the prediction and prevention of breast cancer

**WE BELIEVE THAT  
PREVENTION IS BETTER THAN CURE**
