

Why we need your support

prevent
breast
cancer

Over **55,900** people are diagnosed with breast cancer every year. That's around **153** people a day.

We're the only UK charity solely aimed at preventing breast cancer for future generations

MOST COMMON CANCER FOR WOMEN

BIGGEST CAUSE OF DEATH
FOR WOMEN AGED 35-49

In 2021, the government directed just **4.7%** of its spending to prevention and early detection of all diseases (excluding Covid-19).

We fund **VITAL RESEARCH** into the prediction and prevention of breast cancer

WE WANT TO PREVENT BREAST CANCER FOR FUTURE GENERATIONS

through preventative testing, screening, lifestyle changes and drugs where needed

WE BELIEVE THAT PREVENTION IS BETTER THAN CURE
